

Gabriel:

The books you have available, as per your web site, and I may want to buy, are two:

1 - "Horse in West African History" - by Robin Law

2 - "Benin and the Europeans, 1485-1897" - by A. F. C. Ryder.

Maybe I would like to buy, but I don't know if you may found them, another two books:

I - Ovnnoramwnnen Nnnogbaisi : an historical tragedy in English - by Ola Rotimi

II - "Politics and society in South Eastern Nigeria, 1841-1906; a study of power, diplomacy, and commerce in Old Calabar" - (I do not know the name of author).

Now may you give me the following answers, if you please:

If I only buy the items 1 & 2, you'll know exactly the weight of the two books, is it correct?

Since you have the weight, if shipped via DHL (or Federal Express), exactly how much it will cost?

And if shipped via DHL(or Federal Express), exactly when the books will be collected by DHL in your warehouse?

Then,

If you make available any of the item I & II, you please let me know their price and (since you will have the weight) the DHL price for the whole package.

Last, is it possible in stead of sending Mastercard number via Internet, I sent it via fax?

Standing for an answer.
