

How can I get the e-mail of Paula Girshick Ben-Amos?

Paula Girshick Ben-Amos is Professor of Anthropology at Indiana University, Bloomington. She is author of *The Art of Benin* and co-editor (with Arnold Rubin) of *The Art of Power/The Power of Art: Essays in Benin Iconology*.

I have used the search engine of your web page and her name is nowhere, but on books list, as I've quoted above..

Thank you
